Hi Jim,

Sorry, just checked my email, busy today!

I assume you mean DPH samples that are sent out to Worcester only?

I have no Middlesex County information...they have been completely diverted to State Police in Sudbury. Worcester receives approximately 600 samples per year from us. I would say I bring out 50 samples every 6-8 weeks or so. If you give me more time I can get exact numbers if you need them. Actually when I sent Sharon an excel spreadsheet the other day, the Worcester info should be there. I would sort by Chem 1 name and scroll down to Worcester.

Hi Betsy,

One of the local DA's is requesting information on submissions to Middlesex and Worcester Counties for fiscal 2011. Do you have this information or does Julie have it?
